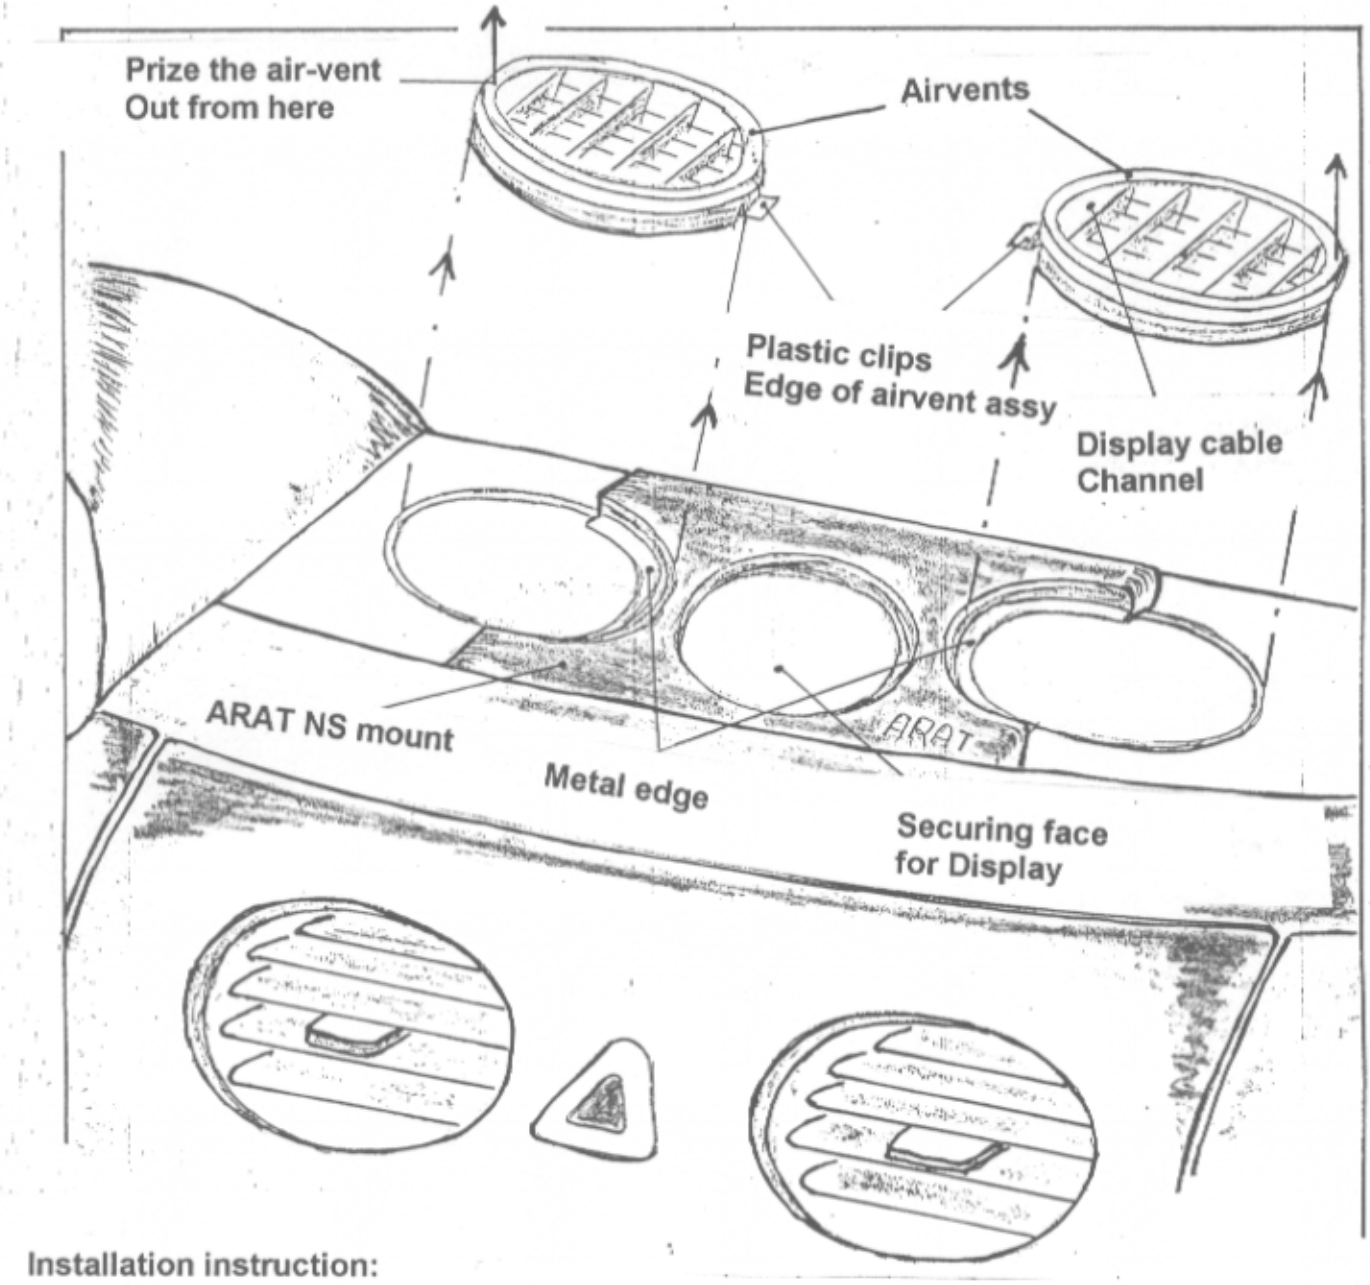
ARAT Navigation mount

Car Manufacturer: MERCEDES

Model: A Class

Part No: NS1255



Installation instruction:

Remove the air-vents from the dashboard (prize the outer edge up as in the drawing)
Place the ARAT mount to the contours of the dashboard, and replace both the previously removed air-vents, ensure the plastic clips are slid into place first.
Ensure that the air-vents click into place.
You may channel the display cable through one of the air-vents
